Dear Examiner,

Date: Aug. 10, 2007

I have carefully written claims that are not mentioned in the prior art to the best of my Knowledge. I have not included any new matter that is not mentioned in the detailed description.

I'm not claiming a pair of handles since they were mentioned in the prior art.

I'm not claiming nail like objects with pointed ends pointing in the downward direction since this was claimed in the prior art.

I'm not claiming the ends of the nail like objects having narrow pointed ends since it was claimed in the prior art.

I'm hoping that the new claims might be considered under modifications as amendments to the claims submitted in the following sheet.

Sincerely Yours,

  
SAIL KATTA REDDY
